

RESEARCH PITCH REPORT · 2025-2026

THE
HUMAN
COST

How Artificial Intelligence Has Reshaped the Livelihoods, Workflows, Mental Health, and Safety of Real Human Influencers & Content Creators

FOCUS: HUMAN-MADE CONTENT · REAL INTERACTION · AUTHENTIC INFLUENCE

SCROLL TO EXPLORE

This report was made by a *human*.

Every analysis in this document is sourced, grounded in real data, and written with the purpose of protecting the rights, livelihoods, and wellbeing of human creators who build real communities with real people.

If you're a creator, a brand, a platform builder, or a policymaker — this problem is your problem. The authenticity of the internet depends on defending the space for human voices.
